

Praise for Leadership Spirit

Tony Johnson, MBA, PMP, PgMP – CEO & Founder, Crosswind Project Management Inc.

“Leadership Spirit is an invigorating book that allows you to jump in and see examples and perspectives that can be immediately applied to our professional and personal life. The direct application to project and program management can be a great help to those that are challenged in growing their project and program management skills.”

Tamara B. Burris, PMP, BB – EPMO Organizational Effectiveness Manager, Xerox Corporation

“Steve Wilson has provided a holistic approach to exploring the attributes of good leadership as it relates to program and project management that is both innovative and captivating. Steve leaves the reader contemplating the ‘leadership spirit’ in all of us!”

Kieran Wright, PMP, Certified Hypnotist – EMEA Business Development, PgO Lead, Strategic Governance Lead, Risk Champion, EDS an HP Company

“In an entirely fresh take on the genre, Steve imparts his nuggets of wisdom with the honesty and candor of an old friend. Some of the situations Steve describes will resonate so deeply that you’ll find yourself responding by laughing out loud, cringing, or just plain marveling at the insight he shows.”

Tony Pottle – CEO & Founder, Time to Be Great Consulting, LLC

“Steve’s vast project management experience and wisdom comes across loud and clear! The Biblical principles in Leadership Spirit and the practical application examples give me great confidence anyone will succeed using this book.”

Andrew Lacy, PMP – Senior Project Manager

“Leadership SPIRIT provided me with guidance on leadership based on real world experience that is applicable both at work and home. Leadership SPIRIT was very enjoyable to read and provided excellent advice.”

Jon Stephens – Spiritual Formation Pastor, Crosswinds Wesleyan Church

“Leadership SPIRIT is one of the most holistic books on leadership I have ever read. I would enthusiastically recommend it to my peers in all positions of leadership.”
